Petition to Accept Color Drawings under 37 C.F.R. §§ 1.84(a)(2)

Petition is hereby made to accept drawings in the above-identified application. Attached hereto are three (3) sets of color drawings for FIGS. 7-12. FIGS 1-6 and 13-14 are not illustrated in color.

Color drawings of FIGS. 7-12 are necessary to show the color and contrast of the displays illustrated in these figures. Specifically, the displays show subtle and gradual variations in color reflecting characteristics of a part under test. Because the variations shown in the displays are subtle and gradual they are difficult to illustrate using conventional black and white drawing techniques.

The Commissioner is hereby authorized to charge \$130.00 to cover the petition fee and any additional fees which may be required in this application under 37 C.F.R. §§1.16-1.17 during its entire pendency, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,
